Disclaimer

I confirm that the console I am sending you only has the RROD issue and all other components are in working order. I understand the Wii-Chip.co.uk Online Store will not be held responsible for any misuse of their products and services. I also confirm that it is my own responsibility to ensure that my console is sent to The Wii-Chip.co.uk Online Store and my own responsibility to ensure insurance against any damages, it is my responsibility to ensure the package is packed well enough to survive transport through a postal system. (We recommend Royal Mail Special Delivery) I also understand that any warranty on my console will become void after this install is carried out.
